## Operation Round Up®

Operation Round Up® is a program that does just what the name implies. A member owner's monthly electric bill will be rounded up. For example, a monthly bill of \$37.75 will automatically be rounded up to \$38.00, with the additional 25 cents going to the Operation Round Up® fund.

These pennies will fund the PenTex Energy Charitable Foundation, whose mission is to accumulate and disburse funds for charitable purposes to benefit the population in the service area of PenTex Energy.

This shall be accomplished by disbursement of funds to individuals and organizations for public safety, health needs, self-sufficiency, basic human needs, and the cultural environment.
